

Winnetka Platform Tennis Club Women's Teams Sub Registration

The WPTC requires all women's team substitutes to pay an annual registration fee of \$25. This entitles the player to a limited membership for the current season, allowing substitute match play and participation in team practices, but does not include court reservation privileges that accompany a full membership. This fee does not need to accompany your registration, but need only be paid once called up as a sub.

Once rostered as a sub for WPTC (generally once you have played in a match for a WPTC team), you are restricted from playing in a match for any other NSWPTL women's team for the duration of the season. For more information, please refer to <http://cptc.reveregroup.com> or contact WPTC Women's Coordinator Holly Kawula, hkawula@winnetkapaddle.com.
